Dear Friend and Pastor,-

We have greatly enjoyed the service and sermons broadcast from your church when sickness and bad roads prevented worship in our church this past winter. We are looking forward with much pleasure to worship with you in your church some Sunday morning this summer.

We enclose one of the weekly programs of our church service, knowing that you will be pleased to read it & knowing of the fine work of our pastor Rev. Joseph M. Henderson.

Just inclose a contribution that may help toward broad casting many more fine sermons. In grateful appreciation of your splendid service

Sincerely

Mr. and Mrs. David A. Maxwell

Dear Mr. Robinson:

Grace and I are planning to be married the latter part of June and would like very much to have our wedding in your church.

Will the church be available at that time and also would you be able to officiate.

With kindest regards I am

My dear Mr.Knoblock:

Mr.Robert V.Scott a member of my church brought me word that you had spoken to him about our Sunday services and had said that they had helped you.

I believe these services are one of the means God is using to bring your soul out into the sunlight of His love. Please follow the lead and be sure that as you go to meet God,He comes to meet you.

Only He has already done all for you in offering Christ as your Saviour.

Sincerely yours,

It is a wonderful privilege to be able to tell the great news of God's great love and also a great joy to hear of those who have rejoiced to hear it.

May God bless and keep you now and always.

Dear Sir:
I feel what I have said is my duty
I have been listening to your
sermons regularly for I believe many
months. I surely wish to say Amen
to them all especially your attitude
about the Sabbath observance. I feel
it is an awful, awful thing the way
the day is used not only by others but
church members as well. I am surely so
glad to know that at least one man
take a stand for the Bible & God.
